

Team Wear

COULD YOUR TEAM OR GROUP GET A COMPETITIVE BOOST FROM BEING DRESSED IN A SLICK SET OF CUSTOM DESIGNED GEAR?

JOIN THE MANY SPORTS TEAMS, DANCE CREWS AND OTHERS WHO HAVE ENJOYED A TRIPLE THREAT MAKEOVER!

We can help you design your clothing in your own unique combination of fabrics, colours, fonts and logos or give us your design.

Our turnaround time is only 4-6 weeks, so your team will be looking the part before you know it.

Our clothing is quality made with attention to detail. Our logos are embroidered or stitched, not "iron on" or "print on" logos that break up quickly.

We have been designing and producing Team Wear for over 10 years (formerly as Mutya Sportswear), so we know our stuff and our prices are competitive.
